

# Multiple Language Support

You can view the AirSend interface in Spanish, Dutch, French, Italian, Portuguese, German or English.

To change the language, when you sign in, click the current language and choose a new one:

The image shows the AirSend login page. On the left, there's a white sidebar with the AirSend logo (a blue circle with white dots and a line) and the word "AIRSEND" in a blue serif font. Below the logo are three login options: "Sign in with Google" (with the Google logo), "Sign in with Apple" (with the Apple logo), and "or use your email address" (with a horizontal line). Under "or use your email address", there are two input fields: "Email Address" with the value "JaredTaylor978@gmail.com" and "Password" with a masked password "\*\*\*\*\*". Below the password field are two checkboxes: "Keep me logged in" (checked) and "Forgot password?". At the bottom of the sidebar are three buttons: "Login" (blue), "Sign Up" (white with blue border), and "English (US)" (white with blue border). The main area of the page has a light blue background with a dark blue wavy line at the bottom. On the right side of the main area, there are three stylized dandelion-like seed heads with blue and green dots, connected by thin blue lines to the bottom wavy line.
